The figure shows four empty place value charts, each with four columns and two rows. The columns are labeled with the numbers 5, 6, 7, and 8 above them. The rows are labeled with the numbers 200, 465, 931, and 118 above them. Each chart has a horizontal line separating the top row from the bottom row, and a vertical line separating the third column from the fourth column. A small dot is placed in the top row of each chart, indicating the position of the decimal point.
