130 998 539 660

The figure shows four empty place value charts, each with four columns and two rows. A horizontal line separates the top row from the bottom row, and a decimal point is located in the second column of the top row. The charts are labeled with the numbers 130, 998, 539, and 660 above them. The columns are intended for the hundreds, tens, ones, and tenths places, respectively.
