5

A blue maze with a red dot at the start and a red arrow at the end. The maze is composed of blue lines on a white background. The path starts at a red dot in the bottom left corner and ends at a red arrow pointing down at the top center. The maze features several loops and dead ends, including a large loop on the right side and a smaller loop on the left side. The path is a single continuous line that winds through the maze, avoiding the walls.
